

## BRADY PRESIDENT OF WALTON CLUB

Organization Perfected at Meeting at Brady Hotel Tuesday

SEE 5,000 MAJORITY

Graham, Secretary, and Lewis Treasurer of First Post-Primary Walton Club

What is believed to be the first post-primary Walton-for-governor club in the state was formed in Tulsa Wednesday afternoon at a meeting in the Brady hotel, the organization being christened the Walton-for-governor club of Tulsa county. W. T. Brady was elected president, W. F. Graham secretary, and R. Lewis treasurer, and Thomas D. Lyons, chairman of the executive committee of 50.

A pledge to give J. C. Walton a majority of 5,000 votes in this county at the fall election and to contribute \$5,000 to the campaign fund was taken. These resolutions, in fact, were:

Resolved by the Walton-for-governor club of Tulsa county that we pledge ourselves to achieve a democratic majority in Tulsa county at the fall election and to contribute \$5,000 to the campaign fund, and we obligate ourselves to raise not less than \$5,000 for the purpose of placing the issues squarely and plainly before the masses of the people on whom democracy has always relied, and who are so fittingly represented by our candidate, the Hon. Jack Walton.

Our party, as the days of Jefferson, Jackson and Wilson, is still the party of the masses and not of any class or classes and we appeal to those whom John G. Carlisle describes as to telling masses who pay the taxes and produce the wealth to support a man of the people for governor. With charity for all and malice for none.

Members of the executive committee, besides the officers, are: Kelly Brown, John M. Ingram, Joe Chambers, A. F. Sweeney, Jack Blair, Gerald O'Brien, R. W. Gibbs, Frank Daniels, R. E. Maxey, R. C. Mason, John Roney, Col. L. J. Rooney, A. H. Collins, Mrs. Woodson Norvel, Charles J. Wrightman, Charles Page, C. W. Dailley, E. J. Brennan, Horace Hagen, Ed Eagan, James Eagan, J. H. Craig, Mrs. E. Hundley, L. W. Brook, E. V. Schrimsher, J. W. Wilson, Ed Dalton, J. V. Sanders, George Harrison, A. P. Clay, W. D. McClure, M. R. Shanks, Lee Daniels, John Schrader, John Kramer, G. Ed Warren, Tom Clark, E. L. Morgan, George W. Boone, D. O. Elliott, Mrs. Sackel Grommet, Miss Margaret Gavin, Mrs. E. Forest Hayden, Mrs. S. R. Lewis, Miss Jap-pa Mason, Mrs. George G. Ryne, John W. Archer.

Both Brady and Lewis were local campaign managers for Owen. They state that the entire membership of the former Owen club here will join the new organization, which during the coming political battle will assume full responsibility for Walton's Tulsa county campaign.

**SUMMER SCHOOL ENDS**  
Central High Has Lost Its Drawing Power With the Young Folks Until Early in September.

So far as young people are concerned, Central high school has lost its drawing power until next September. The last of the summer school students have turned their backs upon classic halls of learning until cooler weather comes and with sighs of relief have stowed away books for six halcyon weeks.

Summer school was eminently successful this year, according to E. C. Overferth, principal. Virtually all of the students completed their work satisfactorily and the attendance held out remarkably well.

Although no class work will be done in the building from now until the opening of the fall term, it will not have its usual deserted appearance at this time of year, as workmen are busy finishing up the new addition. Equipment and furniture are being installed and the work is being rapidly completed in order that the ambition of the school board that the building be ready in time for the opening of school be realized.

Close plays in baseball are photographed with a telephoto lens by a camera that a Los Angeles man has designed for the purpose.

**GOMPERS HITS RAIL HEADS**  
Labor Head Denounces Executives as Assuming Autocratic Position.

HARRISBURG, Pa., Aug. 2.—Samuel Gompers today denounced railroad executives as assuming an autocratic position in rejecting part of the plan of President Harding in the railroad strike. Heads of the American Federation of Labor were here to participate in a conference of the state federation of labor to frame a protest against the sending of troops into the bituminous coal fields of Pennsylvania. Before entering the meeting Gompers said: “It shows when government pressure is exerted the working man is expected to accept and resentment is at once manifested when he does not yield. Here the railroad executives just assume the position of masters of all they survey, take an autocratic position in regard to the transportation and spurn the plan proposed by the president.”

**SHRINE PICNIC THURSDAY**  
Several Thousand Wearers of the Fez Will Journey to S. S. Park.

One of the several mammoth picnics of the season will be that in which Shriner and their families will join Thursday at Sand Springs park, for several thousand members of Akbar Shrine and their families and visiting Shriners are expected.

The day will be replete with interesting events—a tug of war between the band members and the patrol members, a past potentates race, races for the children, contests among the ladies and others. A number of families will, it is expected, “make a day” of it, going to the park early in the morning, while the majority will arrive shortly after noon. The majority of the park amusements will be open to the children. A large group picture of the picnickers will be taken in mid-afternoon. Demolishment of the plenteous basket supper will begin about 6:30.

**CHOSE MARRIAGE TO FUNERAL**  
Officers Interfered and Youth Went to Jail Instead.

FORT WORTH, Texas, Aug. 2.—I. H. Turpin, 24 years of age, was interrupted at his work this morning by an aged man with a shotgun. “Do you prefer a wedding or a funeral?” asked the armed man. “Wedding,” said Turpin and off they marched to the courthouse. But officers intervened, disarmed C. R. Sharp, the aged man, and after hearing his story placed Turpin in jail on a charge of criminal assault on Sharp's daughter, Viola. Turpin was married to another girl only a week ago, it is said.

**MR. AND MRS. JACK GELFAND**  
1313 South Boston are the proud parents of a 7½-pound baby boy who arrived early Wednesday afternoon. The baby has been named Louis. Mother and son are both doing well.

C. A. BORDER, assistant secretary of the Chamber of Commerce and Mrs. Border have moved into the new home that they have just completed at 439 College avenue. Mr. and Mrs. Border expect to leave the middle of the month for Ohio to visit with Mr. Border's relatives.

THE MIDLAND VALLEY railroad was made defendant in a \$25,000 damage suit in district court Wednesday by John Glaser. The petition alleged that due to the bad repair of a railroad crossing, a block from the Jenks depot, Glaser in a truck loaded with cement attempted to cross the tracks and was “stalled” and was unable to get the truck out before a Midland Valley passenger train struck it, demolishing the truck and throwing Glaser several feet to the ground.

MRS. L. B. DAWES, social secretary of Boston Avenue M. E. church, has left for Amarillo, Texas, where she will spend a month at the home of her sister.

**POST TO ISSUE BONDS**  
Building of Legion Clubhouse Will Be in Charge of Five Trustees Selected Next Meeting.

Building a clubhouse for Joe Carson post through the sale of bonds is to be in charge of a board of five trustees, according to a decision reached by the post at a special meeting Wednesday night in the municipal auditorium. Three of the trustees will be business men of the city, one is to be the past commander, and the fifth the present post commander. The trustees will be decided upon at the next post meeting.

The plan for financing the project through the sale of bonds was fully entered into last night by Charles West, in charge of the committee. The bonds are to be 20-year bonds, at 4 per cent interest, and costing \$10 each. They will be sold to post members and the general public and with a per cent of the bond receipts a lot, neither down town nor uptown as to location, will be purchased and a building erected. West prophesied last night that Tulsa will go beyond 150,000 in population in a few years and nothing could be safer than a well-managed real estate investment here.

**BOARD SETS HEARING DATE**  
Dispute Involving Maintenance of Way Men to Be Heard August 28.

CHICAGO, Aug. 2.—The United States railroad labor board today adopted a resolution to begin the hearing of wage and rule disputes

involved in the maintenance of way union on August 28.

It was provided that if an agreement could not be reached the matter would be submitted to the labor board for an early hearing.

Cases involving 43 roads have now been submitted to the board. These railroads waiving their right to a 30-day notice before submission of the case.
